

Joshua Antonio
LSU President Candidate

Profile Statement:

An experienced leader, Joshua has 10 years of experience in human resources, project management, and education. He has worked 5 years for a Japanese edu-tech start-up and 5 years with Zuit Coding School. He has developed educational programs that bridge the gaps between academic learning and real-world application to help students secure jobs in their chosen fields. In his free time, he manages the largest SNS volunteer network with over 111,000 members.

Platform Statement:

A fun and engaging student life with a diverse and transparent student union—that is what Joshua hopes to build. His focus will be on:

- **Student Engagement:** Joshua believes a fun student life is essential. He aims to organize more events and activities to help students connect, have fun, and build community. Langara should be a place where students can easily meet new people and enjoy campus life. College is a one-time experience, so let's make the most of it!
- **Diversity and Inclusivity:** Joshua believes the student union should represent all students. He will create initiatives ensuring every student is heard, regardless of background or interests. A diverse Langara is a united Langara.
- **Transparency:** Joshua believes the student union should be open and accessible. He will provide regular updates and clear communication, ensuring students know how decisions are made and how to get involved. He will create more opportunities for student feedback.

With over 10 years of leadership experience, Joshua knows how to get things done! He is committed to serving students by addressing concerns quickly and making sure resources are available to meet their needs. Joshua is ready to make Langara a more engaging, inclusive, and supportive place for all.

Vote for Joshua.
