

Name: **Parth Singhal**

Position: **General Representative**

### **PROFILE STATEMENT**

I am Parth Singhal, an international student from India pursuing accounting at Langara College. With leadership experience, including being Head Boy in high school, and active involvement in campus organizations, I bring strong communication, teamwork, and organizational skills. My participation in over 50 Model United Nations conferences has sharpened my leadership abilities. As a General Representative, I am committed to fostering inclusivity, collaboration, and a supportive campus community for all students.

### **PLATFORM STATEMENT**

As your General Representative on the Langara Students' Union, I will bring my experience as an international student from India and a leader to serve our community. Having been Head Boy in high school, I understand the importance of representing students' interests and fostering a sense of belonging. I have developed strong leadership skills through involvement in student organizations such as the Langara Accounting Club and Go-Team, as well as attending over 50 Model United Nations (MUN) conferences, where I enhanced my communication and negotiation abilities.

I am committed to improving student life by advocating for cultural exchange, creating more networking opportunities, and improving access to mental health resources. Transparency and student input will guide all my decisions on the LSU.

As an international student, I understand the challenges of adapting to a new environment and will advocate for resources that support international students. My leadership experience and campus involvement will ensure I represent your needs effectively. Vote for me, and I will work tirelessly to make sure all students feel included, supported, and empowered to succeed.
