Platform Statement:

As a candidate for Diversity and Inclusion Representative at the Langara Students' Union (LSU), I am committed to promoting an inclusive and equitable campus environment. My platform focuses on advocating for the representation of marginalized and underrepresented student groups, ensuring their voices are actively involved in shaping LSU policies and decisions. I will work to create programs and initiatives that celebrate our diverse student population, from cultural events to awareness campaigns that address issues such as discrimination and inequality. Additionally, I plan to collaborate with various student organizations to promote intersectionality and solidarity within our campus. By creating spaces for open dialogue and community-building, I hope to foster a culture of respect and understanding among students of all backgrounds. I will also push for the expansion of resources, such as workshops and mental health support, specifically tailored to the needs of diverse student communities. My goal is to ensure that diversity and inclusion are central to LSU's operations and that all students, regardless of their identity, feel supported and empowered. Together, we can create a more inclusive Langara, where everyone's voice matters and diversity is celebrated.
